

# BARRIER<sup>®</sup>

## Pet Wound Care and Sore Treatment

2% Available Iodine with Lidocaine

### FEATURES AND BENEFITS

BARRIER™ Pet Wound Care and Sore Treatment

- is a 2% titratable iodine that kills up to 99% of surface germs that may cause an infection.
- contains lidocaine to alleviate pain in wounds and surgical incisions.
- has a natural anti-biting/chewing agent to help prevent self-mutilation and/or cohort licking, biting and chewing.
- dries in approximately 60 seconds and forms a highly visible and durable coating.

### DIRECTIONS FOR USE

Hold sprayer about 4–6 inches from area to be treated. Spray one or more times — allow to dry. Repeat as needed. Forms a highly visible coating that is durable.

### WARNINGS

Do not use in the eyes. Do not use if you are allergic to povidone-iodine. Prolonged exposure may cause irritation. If swallowed, get medical help or contact a Poison Control Center right away.

Store at 15°–30°C (59°–86° F). Avoid inhalation.

### CAUTION

Flammable — use with caution. For external use only. Keep out of reach of children. Wet hair or fur is flammable.
