### **Aurora Pharmaceutical Renews Veterinary Scholarship Awards Program for 2023**

**January 1, 2023, Northfield, MN** – Aurora Pharmaceutical, Inc., a veterinary pharmaceutical product development, manufacturing and marketing company headquartered in Northfield, MN, proudly announced they will continue to offer veterinary students up to \$75,000 in scholarship dollars in 2023. The scholarship awards are open to all 3rd year students currently pursuing their DVM at an accredited university within the United States. Special consideration will be given to students who are tracking in food animal or equine. In total, \$75,000 in scholarships will be awarded:

- **16 individual \$2,500 scholarships**
- **5 individual \$5,000 scholarships**
- **1 individual \$10,000 scholarship**

According to Breanna Snyder, Program Coordinator, scholarship selection will be based on a combination of academic achievement, related work experience, community and university involvement, goals, essay and letters of reference. All application materials will be scored by a committee of Aurora team members. Applications in their entirety must be received via email by 11:59 CST on Friday, March 17th, 2023. All applicants will be notified of their status 4-6 weeks after the deadline. Before submitting your application, please verify that the University you are attending will allow funds to be accepted on your behalf. Qualifying students may download an application at:

[www.aurorapharmaceutical.com/scholarships](http://www.aurorapharmaceutical.com/scholarships).

“With veterinary student debt continuing to escalate, we are committed to provide veterinary students with financial assistance through our Scholarship Program,” states Grant Weaver, DVM, Swine Technical Service Veterinarian at Aurora Pharmaceutical. “These students are the future of our industry, and we need to help them when we can through scholarships, mentoring and educational programs. I’m excited that Aurora is funding this initiative and look forward to announcing our next round of scholarship recipients.”

If you know of a third-year veterinary student who should apply for the scholarship, have them access additional program details, and a copy of the application, by visiting Aurora at [www.aurorapharmaceutical.com](http://www.aurorapharmaceutical.com) or email us at [scholarships@aurorapharmaceutical.com](mailto:scholarships@aurorapharmaceutical.com).
