Aurora Pharmaceutical Continues Program With \$75,000 in Veterinary Student Scholarships

April 26, 2024, Northfield, MN – Aurora Pharmaceutical, Inc., a veterinary pharmaceutical product development, manufacturing and marketing company headquartered in Northfield, MN, announced today they have finalized the selection of 22 third-year veterinary students who will be receiving scholarship funds to assist in their veterinary degrees. The scholarship recipients were selected based on a combination of academic achievement, related work experience, community and university involvement, goals, essay and letters of reference.

“This year was extremely difficult choosing the various scholarship winners,” states Mat Klotz, DVM, Equine Technical Services Director at Aurora Pharmaceutical. “The academic and hands-on experience level of students moving through veterinary school is as advanced as ever. We are excited to be part of that continued journey to be a veterinarian. Congratulations to all this year’s winners.”

The winner of the **\$10,000 scholarship** is Leah Owens, University of Wisconsin School of Veterinary Medicine . The winners of the **\$5,000 scholarships** are: George DeMers, University of Pennsylvania School of Veterinary Medicine; Austin Haws, Washington State University School of Veterinary Medicine; Kate Loonie, Cornell University College of Veterinary Medicine; Jasmine Blattner, Colorado State University School of Veterinary Medicine; Makenna Hittson, Texas Tech School of Veterinary Medicine.
